Dear Friend:

Most of us in the Hudson Valley have a friend, neighbor, or loved one who has been affected directly by the downturn in the economy. I'm working hard in Congress and here at home to help people find jobs, so I hope that your organization will join us at a Job Fair that I'll be hosting with our local Chambers of Commerce on November 14, 2011, at the Fishkill Recreation Center, 793 Route 52 in Fishkill, NY. The fair will run from 9:00 a.m. to 2:00 p.m.

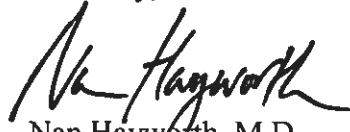

The Job Fair will showcase your business to potential employees. There is no cost for you to participate. In addition to offering a place for job creators and job seekers to meet, we will be holding seminars throughout the day on topics such as resume building and stress management.

Every prospective employer at the Fair will be provided with half of a size- 6 foot table, as well as two chairs. We encourage you to set up a booth to converse with potential job applicants about specifics of your business and the opportunities you offer for employment.

Please complete the attached registration form and forward it to my office so that we may review your registration and respond to you as quickly as possible. Space at the Job Fair will be limited to 75 participants.

Thanks for considering this invitation, and please contact our staff at 845-206-4600 if you have any questions. I look forward to seeing you at the Job Fair!

Sincerely,

Nan Hayworth, M.D.
Member of Congress
